Introduction:

Thank you for your interest in teaching at Lake Erie Artists Gallery. Lake Erie Artists Gallery is a privately owned gallery, and all decisions by the owner are final. This letter is to explain how our classes work, and how our fee schedule is organized.

Class Fees:

Class fees are determined by the teacher and Lake Erie Artists Gallery. Teachers are paid 50% of class fees collected for that class at the end of that class period. Material fees are to be collected directly by the teacher.

Insurance, Theft and Loss:

The Lake Erie Artists Gallery takes the potential loss of artwork seriously. Lake Erie Artists Gallery does carry insurance that covers both retail and consignment items. However, insurance will only pay the cost of the items. Therefore, all artists are required to insure any pieces of value independently of the gallery. Lake Erie Artists **will not** be held responsible for the loss, theft, breakage, or damage of any items by class students.
